Dear Allison:

Thanks for your call. I just need to ask Chris Korleski a few questions about an NPDES permit he handled in 2018 for the PolyMet Northmet mining project in Minnesota, and I hope you can set up a quick phone interview with him for me. The questions relate to the EPA Region 5 team submitting comments on the pre-proposed permit or the final NPDES permit for that project. It shouldn't take much time.

With thanks,
Jennifer
